We estimate that it costs about \$50/month to serve ONE International student in Central Ohio. 89% of them come from hard to reach and unreached areas of the world. This could be their only chance to meet a Christian and hear the gospel.

We are currently only able to serve 30% of those students. Please consider giving to help serve them all!

## Our Goals → FLOURISHING MINISTRY

We thank God for the growing impact we are having with international students in Columbus, primarily at OSU. Our goal for 2024 is to cultivate a discipleship driven, healthy and fully funded ministry by:

- Ensuring all of our activities (bible studies, cultural celebrations, etc) are covered in prayer and include elements of the gospel
- Developing more reproducing disciple-markers who can serve their home country
- Ensuring Pastoral care and (spiritually, financial, emotional) health of the Columbus team
